The U.S. Department of Education established a target of 100% for compliance indicators. Other Notes

For each of the indicators, NA denotes an item as "Not Applicable". "Not Applicable" indicators are items for which there are no data.

*Ohio has chosen to use a three-year monitoring cycle for analyses of the compliance indicators. HMG EI programs were selected to be included in the analysis for one of the three indicators in SFY11, and the other two analyses in SFY12 and SFY13. Preble County was selected for the 45 Day analysis for SFY12.
