Subject: Early Intervention Compliance for State Fiscal Year 2013 – 45 Day

Date: August 16, 2013

The Bureau for Children with Developmental and Special Health Needs (BCDSHN) began examining Early Intervention (Part C) Compliance data in February to determine statewide and county-specific compliance. These data will be reported to the U.S. Department of Education, Office of Special Education Programming (OSEP) in upcoming reports.

ODH/BCDSHN continues to utilize a cyclical monitoring cycle. In other words, we will review all 88 counties in all three compliance areas (i.e., Transition, Timely Receipt of Services, and 45 Day) over a three-year period. **We will begin examining 45 Day data in September.**

Your county has not been selected to be included in the upcoming 45 Day analysis. Instead, your county was included in the SFY13 Transition (TPC and Steps) analysis that was initiated in June.
